

KANDIDÁT (THE CANDIDATE)

16TH KANSAS INTERNATIONAL FILM FESTIVAL – NOV. 4-10, 2016

Sharon Valasek, Honorary Consul of the Czech Republic & Ross P. Marine, Honorary Consul of the Slovak Republic & The Czech & Slovak Club of Greater Kansas City cordially invite you to attend the award winning film - "THE CANDIDATE"

"The Candidate" is a cynical black humor thriller which takes place in Slovakia during a presidential campaign. Created on the basis of a novel written by Maros Hecko and Michal Havran, it follows a manipulative game of producing the president of a country out of Mr. Nobody. The Campaign and a dangerous game is perceived through the eyes of two snoops, who are hired to tap and record Adam Lambert, a conjurer of the local advertising world. "The Candidate" is a witty political farce, indirectly depicting wide malignancies of a post-communist society instantly transformed into a money-ruled, rightist one. Running time 109 minutes. English subtitles.
